# Get 900 FREE UMAT QUESTIONS & 3 Free UMAT training books Now!

## NIE's early bird special

With the number of students now sitting UMAT set to reach 20000 over the next few years, and minimal if any increase in the number of seats available in respective courses, health science entry via the UMAT has never been more competitive.

To maximise each student's entry potential, NIE is offering a bonus 3 books containing full curricula + 900 practice questions at no extra charge to new students who enrol and pay before November 30, 2009 in our 2010 premium package.
